INTERNSHIP eTOOLKIT
JUST ADD TALENT

Centralized • "Right Career" Students • Establish a universal network of Work Readiness and Placement Centers.

Required • **Require Students to Intern** • Students pay for three credits and fulfill a graduation requirement to gain meaningful work experience.

Self-Funded • "Right Purpose" Money • Rebate HALF of the tuition money students pay for their internship credits to fund each WRAP center.

Paid • **Demand Equality** • Employers must compensate interns for real work and earn certification for internship program quality.
